What to expect from our club in the future.

As We are the only Rabbit club in the local area . Our club is aiming to cater for all rabbit people. We plan to kick start our club with Rabbit hopping, Then have Agility, and rabbit competitions in these events. I'm not sure how long it will take to get all these things happening at our club but our aim is to have a rabbit club to people with rabbits can enjoy them.

Out And About With Your Bunny

Now that you are out and about with your rabbit I would like to take this opportunity to give you some helpful tips

- 1– Make sure you have an open from the top cage so your bunny is secure
- 2– Have plenty of water and food/hay for your Travels
- 3– Have a H style hopping harness with you at all times .(you never know when you may need it)
- 4- In summer have a frozen water bottle in the carry cage to keep your bunny cool in the hottest part of the day. Bunnies don't sweat and can over heat easy.
- 5– In winter keep your bunnies carry cage out of a draft while travelling in your car with them.

Happy Travels and See you on the RUN !
